STATE OF CALIFORNIA

HOUSING ADMINISTRATIVE PLAN

The Section 8 Program was created by the Housing and Community Development Act of 1974 and amended by the Housing and Community Development Act of 1981, the Housing and Urban-Rural Recovery Act of 1983, the Technical Amendments Act of 1984, the Housing and Community Development Act of 1987, and the Quality Housing and Work Responsibility Act (QHWRA) of 1998.

Statement Of Policies And Objectives

The California Department of Housing and Community Development (HCD) acts as the Public Housing Agency (PHA) in the administration of the housing programs. Functions and responsibilities of the HCD staff shall be in compliance with the personnel policy of HCD and the Equal Opportunity Housing Plan (EOHP). All Federal, State and local housing laws will be followed and HCD will comply with Fair Housing Regulations.

HCD administers Section 8 Certificate/Housing Choice Voucher Programs in the twelve (12) counties of Alpine, Amador, Calaveras, Colusa, Glenn, Inyo, Modoc, Mono, Sierra, Siskiyou, Trinity, and Tuolumne. In addition, HCD administers Section 8 Moderate Rehabilitation projects in two counties.

Subcontractors

HCD contracts with Subcontractors for specified administrative services in the counties mentioned above, except HCD provides the administrative services for Alpine County

The administrative services provided by Subcontractors include tenant and owner outreach, waiting list management, client eligibility, issuance of Housing Choice Vouchers, tenant and owner briefings, HQS inspections, and annual re-certifications. The Subcontractors are paid 70.6% of the earned administrative fee.

The four major objectives of the Section 8 Program include:

- To provide improved living conditions for very low-income families while maintaining their rent payments at an affordable level;
- To promote freedom of housing choice and spatial deconcentration of lower income and minority families;
- To provide decent, safe and sanitary housing for eligible participants; and
- To provide an incentive to private property owners to rent to lower income families by offering timely assistance payments.

Section 8 Program Purpose

The purpose of the Administrative Plan is to establish policies for items that are not covered under Federal regulations for the Section 8 Certificate, Voucher, Moderate Rehabilitation and Family Self-Sufficiency Programs.

**Administrative
Plan Purpose**

The Plan covers both admissions and continued participation in these programs. Policies are the same for both programs, unless otherwise noted.

HCD/Subcontractors are responsible for complying with all subsequent changes in Federal regulations pertaining to these programs. If such changes conflict with this Plan, Federal regulations will have precedence.

It is the policy of HCD to comply fully with all Federal, State, and local nondiscrimination laws and in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

**Fair Housing
Policy**

Specifically, HCD shall not on account of race, color, sex, religion, creed, national or ethnic origin, age, family or marital status, handicap or disability deny any family or individual the opportunity to apply for or receive assistance under HUD's Section 8 Housing Assistance Programs, within the requirements and regulations of the HUD regulations.

To further its commitment to full compliance with applicable Civil Rights laws, HCD will provide Federal/State/local information to Section 8 participants regarding "discrimination" and any recourse available to them should they feel they have been the victim of discrimination. Such information will be made available during the family briefing session and all applicable Fair Housing Information and Discrimination Complaint Forms will be made a part of the Housing Choice Voucher holders packet.

HCD subscribes to HUD's "open-housing" policy and, as such, directs Subcontractors to maintain a list of available housing submitted by owners in all neighborhoods within the Subcontractor's jurisdiction to ensure greater mobility and housing choice to extremely low and very low-income households served by the Subcontractor.

HCD will review and update its Equal Opportunity Housing Plan, as needed, to ensure that these objectives are being met.

All applicants are required to sign the Federal Privacy Act Statement form which states under what conditions HUD/HCD/Subcontractors will release tenant information.

Privacy Rights

HCD is located in Sacramento, California and administers the Sections 8 Housing Assistance Program (HAP) through the Los Angeles HUD office and the Sacramento Service Office. The Housing Assistance Program is in the Division of Community Affairs, State of California, Department of Housing and Community Development.

**HCD/HAP
Organization**

HCD/HAP staff includes:

- Housing Assistance Program Manager;
- Housing and Community Development Representative II (Program);
- Housing and Community Development Representative I (Financial);
- Office Assistant.

Subcontractor staff positions vary from subcontractor to subcontractor. Staffing can include the following:

**Subcontractor
Organization**

- Program Specialists
- Housing Coordinators
- Housing Specialist
- Accountant
- Secretary
- Building Maintenance Worker
- Executive Directors.

HCD/Subcontractor publicize and disseminate information, as needed, concerning the availability and nature of housing assistance for extremely low and very low-income families. HCD/Subcontractor will provide adequate notification to the public, 30 days prior to the waiting list being opened through the publication of notices in newspapers of local circulation, minority media, and other suitable means, the availability and nature of housing assistance for extremely low and very low-income families, unless application taking has been suspended according to HUD regulations.

**Family
Outreach**

The Notice shall:

- Advise families that applications will be taken at a designated date, time, and location; and
- briefly describe the Section 8 Program.

To reach persons who do not have access to a local newspaper, the Subcontractor shall distribute fact sheets to libraries, social service offices and other agencies as determined appropriate by the Subcontractor.

The Subcontractor issues public invitations to owners as needed to make dwelling units available for leasing by eligible families in accordance with the Equal Opportunity Housing Plan. On a continuing basis, the Subcontractor will welcome the participation of owners of decent, safe, and sanitary housing units.

**Owner
Outreach**

The Subcontractor makes personal contact in the form of formal or informal discussions or meetings with private property owners, property managers, and real estate agencies. Program requirements are explained and printed material is offered to acquaint the owner/manager with the opportunities available under the program.

The Subcontractor maintains a list of interested landlords and their property available for the Section 8 Program and updates this list as new information is received. When new units become available, program staff will make the information available to prospective tenants.

Tenant-based assistance will be offered to eligible residents of projects covered by the Emergency Low-Income Housing Preservation Act of 1987 (ELIHPA) and the Low Income Housing Preservation and Resident Homeownership Act of 1990 (LIHPRHA). Families must meet two separate criteria in order to be eligible for a preservation voucher:

Preservation

- The resident family must be income eligible on the effective date of the prepayment, and
- as a result of the owner's rent increase occurring no later than one year after the prepayment, the family would have to pay more than 30% of their monthly adjusted income for rent unless the family received Section 8 tenant-based assistance.

Both assisted and unassisted residents may be eligible for preservation tenant-based assistance. In order to be eligible for one of the special rental vouchers, the resident must be either:

- A low-income family;
- a moderate-income elderly or disabled family; or
- a moderate-income family residing in a low-vacancy area (3% or less vacancy rate). HUD is responsible for determining whether the project where the owner is prepaying or voluntarily terminating the mortgage insurance is located in a low-vacancy area.

In accordance with 24 CFR 982.601 et seq., HCD/Subcontractor will permit use of any special housing type if it is needed as a reasonable accommodation to provide accessibility for persons with disabilities. Need shall be determined on a case-by-case basis.

**Special
Housing Type**

ELIGIBILITY FOR ADMISSION

To be eligible for admission to the Section 8 Program, an applicant must meet HUD's criteria for eligibility determination. The four factors for eligibility are:

Criteria

- The applicant must be a family;
 - The household's annual income shall not exceed the applicable income limit;
 - All family members six years or older must provide a Social Security Number or certify they do not have one; and,
 - The applicant must furnish evidence of citizenship or eligible immigrant status.
-

Annual income shall not exceed the Very Low-Income Limit as established by HUD and published in the Federal Register.

**Income
Limitations**

Families are required to provide Social Security numbers for all family members age 6 and older prior to admission, or certify they do not have a Social Security number. If the individual is under 18, his or her parent or guardian must execute the certification. When the individual obtains a Social Security number, it must be disclosed at the next regularly scheduled income reexamination.

**Social Security
Numbers**

Verification is completed by the provision of a valid Social Security card issued by the Social Security Administration.

The following criteria shall also be met for an applicant to be eligible for assistance under the Section 8 Program:

**Other Criteria
for Admission**

- The family must have paid any outstanding debt owed HCD or any other Housing Authority on any previous tenancy for Public Housing or Section 8. **No repayment agreement will be accepted. The family must repay in full to be considered eligible for admission.**
- The family must have left any previous tenancy under the Section 8 Program without violations of a family obligation under its Certificate or Housing Choice Voucher Programs.
- Assistance is denied if any family engages in drug-related or violent criminal activity.

Drug related activity means the felonious manufacture, sale or distribution, or the possession with intent to manufacture, sell or distribute a controlled substance. (The felonious use or possession of a controlled substance must have occurred within one year before the date that the Subcontractor provides notice to an applicant/participant of the Subcontractor's determination to deny admission or terminate assistance.)

Violent criminal activity includes any felonious criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property of another.

Admission to the Section 8 Program is immediately and permanently denied to individuals convicted of manufacturing or producing methamphetamine in violation of any Federal, State or local law.

- Families that have been evicted from Public Housing or by Section 8 owners for engaging in drug-related criminal activity will be denied admission. However, if the person demonstrates a successful completion of a rehabilitation program and/or demonstrates that the circumstances leading to the eviction no longer exists, this requirement may be waived with prior approval from HCD.
- If a family member fails to sign and submit consent forms for obtaining continuing eligibility factor verifications, assistance will be denied.

HCD/Subcontractor is not required to determine family criminal activity, but shall, at the initial screening, include on all applications standardized questions regarding criminal activity.

Determinations of the above will be based on credible evidence and/or the preponderance of evidence provided. These are defined as follows:

**Other Criteria
for Admission
(cont)**

Credible Evidence is defined as documentation available through law enforcement agencies or officials, documentation available through the judicial system, written witness accounts in conjunction with reliable documentation from other credible evidence.

Preponderance of Evidence as quoted from Black's Law Dictionary..."evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it, that is, evidence which as a whole shows that the fact sought to be proved is more probable than not."

Denial or termination of assistance for cause shall be applicable for four (4) years from the date of action by HCD/Subcontractor. Individuals convicted of fraud, bribery, or other felonious criminal activity, including attempted or threatened physical force against the person or property of the Subcontractor or its employees, shall be denied assistance, including application for assistance, for a period of five (5) years.

Section 214 of the Housing and Community Development Act of 1980 was implemented by Restriction on Assistance to Noncitizens, published in the Federal Register March 20, 1995. On May 12, 1999 the Federal Register published the Final Rule on the Restrictions on Assistance to Noncitizens.

**Noncitizen
Participation**

The Subcontractor shall verify the eligibility of the individual of at least one family member **prior** to providing assistance.

All regulatory procedures in the implementation of Section 214 will be administered in a uniform manner prescribed without regard to race, national origin, or personal characteristics (e.g., accent, language spoken, or familial association with a noncitizen).

APPLYING FOR ADMISSION

Families may apply for any of HCD/Subcontractor programs by completing an application when applications are being accepted.

How to Apply

If the Subcontractor is taking applications on an open enrollment basis, the Subcontractor may suspend the taking of applications if the waiting list is such that additional applicants would not be assisted within 12 months.

Opening & Closing of Waiting List

The opening of the waiting list (accepting applications) shall be undertaken in accordance with HUD requirements as outlined in 24 CFR Section 982.206(a) and adequate notification shall be provided in accordance with the Administrative Plan under Family Outreach.

Upon completion of the application, an interview appointment will be scheduled.

Completion of an Application

Applicants are responsible for rescheduling interview appointments. If the applicant does not reschedule and misses two scheduled interview appointments, the Subcontractor **may reject the application**. Rejection of the application means the applicant will be removed from the waiting list. The applicant will be notified in writing if the application is rejected for this reason. Applicants may reapply when applications are being taken.

- At a minimum, the head of household is required to attend the interview appointment. All adult members must sign the Applicant/Tenant Certification Form in order for the application to be considered complete.
 - Information provided by the applicant will be verified including information on family composition, income, assets, allowances and deductions, preference status, full time student status, and other factors relating to eligibility determination **before** an applicant is issued a Housing Choice Voucher.
 - Third party verifications (sent by mail) are preferred. Oral third party verifications are acceptable, if properly documented (date when verified and the name of the person providing the information). If third party verification is impossible, the Subcontractor may use documents provided by the applicant. Documents, when allowed by law, will be photocopied. When documents cannot be photocopied, the Subcontractor shall certify that they viewed the document(s), noting what document(s) were viewed, the source of information, the information obtained, and will be signed and dated by the Subcontractor. If the third party verifications and documents cannot be provided, the Subcontractor may accept a notarized applicant certification with the information provided. If third party verification cannot be obtained, the Subcontractor shall document in the tenant file steps taken to obtain information.
-

If additional information is needed to determine eligibility, the Subcontractor will send a letter to the applicant, requesting the additional information be submitted within 10 working days. If there is no response after the 10 days, a second request will be sent allowing another

**Completion of
an Application
(cont.)**

10 working days to respond. If there is no response to the second request for additional information, *an ineligibility letter will be sent.*

After the verification process is completed, the Subcontractor will make a final determination of eligibility based on verified data.

A preference category has been established for admission.

**Preference
Categories**

All families must indicate at the time of application if they qualify for the preference indicated below. Verification of the claimed preference is required prior to admission. If the preference claimed at the time of application submittal has changed upon verification, the application will be placed back on the waiting list in order of receipt by date and time.

**Waiting List
Placement and
Selection
Criteria**

Preference 1: Families involuntarily displaced by federal, state, or local government agencies by a declared disaster or by actions beyond the families' control (e.g., conversion of the rental unit to non-residential use) will be given consideration for the involuntarily displaced preference, if displacement occurred no more than six (6) months from the date of the preference status certification. This does not apply to loss of residency due to evictions with cause. All families assisted under this category must be without housing. Victims of domestic violence are included in this category. **To be assisted, the family must be on the waiting list. Only when HUD provides additional funding for specifically named disasters, government actions, etc., will applications be accepted from those families not on the waiting list.**

Verification of Preference Claimed:

Preference 1: Documentation from government agency regarding displacement; documentation from owner/landlord verifying displacement due to owner action; documentation from social service providers/law enforcement agencies regarding displacement due to domestic violence.

The waiting list will be organized according to date and time of application with priority given to families living or working in the Subcontractors' jurisdiction.

**Income
Targeting**

The QHWRA of 1998, requires that in each fiscal year not less than 75% of new admissions to the Section 8 Program must have incomes at or below 30% of the area median income (40% of new admissions for Moderate Rehabilitation units). The Subcontractor shall monitor new admissions and, when necessary, admit applicants regardless of preferences or priorities to meet this requirement. When there is not a sufficient pool of extremely low-income families (30% of the area median income) on the waiting list, the Subcontractor will conduct outreach efforts and open the waiting list to extremely low-income families only.

Income targeting is not applicable to 1) conversion of a participant's assistance from the Certificate to the Voucher Program; 2) continuously assisted families; or 3) families subject to displacement as a result of the prepayment of a mortgage or voluntary termination of an eligible low-income housing contract.

There will be no minimum tenant rent.

Minimum Rent

OCCUPANCY STANDARDS

HUD requires that HCD establish standards for the determination of Housing Choice Voucher size and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. They also must meet the minimum requirements of the Housing Quality Standards (HQS).

**Voucher Size
Issued**

The occupancy standards for Housing Choice Voucher issuance are set up to determine the size of the voucher to be issued. The criteria and standards prescribed for the determination of unit size should apply to the majority of families. However, in some cases the relationship, age, sex, health, or handicap of a family member may warrant the assignment of a larger unit. Guidelines for maximum voucher issuance includes:

- Persons of different generations, persons of the opposite sex (excluding spouses), and unrelated adults, should have separate bedrooms;
- Children of the opposite sex may share a bedroom until one of the children reaches the age of 6.
- Children should not share a bedroom with parents, but the family may choose to accept a one bedroom Voucher if they have one child under two years of age;
- Unborn children shall be included in the size of the household;
- Persons with verifiable medical needs or other extenuating circumstances may be provided a larger unit;
- Foster children are included when determining unit size;
- Live-in attendants will generally be provided a separate bedroom;
- Space will not be provided for a family member who is absent more than 90 consecutive days (e.g., member of the military);
- Families will not be required to use rooms other than bedrooms for sleeping purposes.

The following provides guidance on the above *The Subcontractor shall request HCD's approval prior to issuing a larger Voucher:*

<u>Voucher Size</u>	<u>Min. No. of Persons</u>	<u>Max. No. of Persons</u>
0-BDR.	1	2
1-BDR.	1	3
2-BDR.	2	4
3-BDR.	3	6
4-BDR.	6	8
5-BDR.	8	10
6 BDR	10	12

Federal regulations allows for a family's brief absence from their unit. Absence means that no adult member will be residing in the unit. Family absences of 14 consecutive days or less, are not subject to notification procedures. Absences exceeding 14 days must receive prior approval from the Subcontractor.

**Absence from
the Unit**

Absences of up to 60 consecutive days, with prior written notification by the family, are acceptable. HCD/Subcontractor considers hospitalization, incarceration, family care, vacation, and employment as acceptable reasons for absences up to 60 days. The family's written notification to the Subcontractor must include the beginning and ending dates of the absence, and the reason for the absence. The family must notify the Subcontractor upon returning from the absence. It is understood that incarceration or hospitalization may prevent the prior approval, therefore, HCD/Subcontractor will allow seven (7) days after the beginning date of the incident for the family to provide proper written notice. Failure to receive prior written approval or failure to notify the Subcontractor of the family's absence that exceeds 14 days is grounds for termination of assistance.

If the family must leave the unit for more than 60 days, the unit will not be considered to be their principal place of residence and the family will be terminated from the program. However, on a case-by-case basis, exceptions for an additional 30 days absence may be granted do to extenuating circumstances (i.e., hospitalization).

Persons not listed on the application/lease three months prior to the absence will not be recognized as a family member.

If any adult member of the family leaves the household for more than 90 days, that adult member is considered permanently absent from the unit. The remaining adult member of the family must report, in writing, the change in family composition to the Subcontractor who will then remove the absent adult as a family member.

**Permanently
Absent**

When the adult family member with children gives a 30-day notice to vacate the unit to the Subcontractor, the Subcontractor will review the situation and make a determination as to who will retain assistance, subject to the following:

- The desires of the parties involved;
- Which party has the dependent children;
- To whom the assistance was issued;
- Who remains in the unit;
- Whether domestic violence is involved.

Documentation to prove these items will be the responsibility of the requesting party. If

documentation is not provided, the Subcontractor reserves the right to issue the assistance to the remaining adult member of the tenant family.

If the family has committed fraud in connection with the program, HCD/Subcontractor may terminate assistance and cancel the contract.

**Family
Misrepresentation**

If the family has misrepresented income, assets, or allowances which would have caused an increase in the tenant portion of the rent, HCD/Subcontractor will recover any overpayment made as a result of tenant fraud or abuse.

If the landlord has committed fraud or misrepresentation in connection with the program, HCD/Subcontractor will terminate the Contract and review the circumstances and family's involvement to determine if the family is eligible for recertification to relocate to another unit with continuation of assistance.

**Owner
Misrepresentation**

HCD may bar the landlord from participation in the Section 8 Program for a minimum of one year for breaking a HAP Contract illegally.

HCD will make every effort to recover any overpayments made as a result of landlord fraud or abuse.

A change of ownership will be processed upon receipt of a Vendor Data Record, evidence of ownership, and a Letter of Authority Transfer, if applicable. Prior to the change of ownership taking affect by HCD, any payments made to the previous owner will be the responsibility of the new owner to recover.

**Change in
Ownership**

If the HAP contract is terminated due to the owner's failure or refusal to respond to notification that a unit no longer meets minimum HQS, and the current Section 8 tenant was required to move to another unit to continue receiving assistance, HCD/Subcontractor will not approve the vacated unit for a new Section 8 tenant for a minimum of one year, and only upon receiving a written assurance from the owner that they will fulfill the requirements of the minimum HQS in the future.

**Owner Fails to
Correct HQS
Items**

After the initial lease, family moves shall be limited to one move in a one year period. However, a family may move to a new unit during the first year of a lease only:

- when a mutual agreement between the owner and the tenant has been signed; or
- for good cause (the tenant must provide documentation (i.e., police reports, court order, etc.

In either case, the tenant must provide proper notice (30day written notice) to the Subcontractor and landlord.

**Participant
Moves**

BRIEFINGS

The purpose of the briefing is to provide new participants with the information found in the Housing Choice Voucher packets. This will ensure that all participants are aware of their responsibilities and the ramifications if they fail to follow those responsibilities.

Purpose of Briefings

At a minimum, the head of household is required to attend the briefing to receive the Housing Choice Voucher. No Voucher will be issued if head-of-household or an adult representative does not attend a briefing.

Attendance Requirements

An unexplained absence from a scheduled briefing will result in the family's application being returned to the waiting list. However, applicants who provide prior notice of an inability to attend a briefing will be scheduled for the next briefing.

Failure of the head-of-household or adult representative to participate in two scheduled briefings will result in the withdrawal of their application. The applicant will be notified of the withdrawal and the determination of ineligibility and of their right to an informal review.

Briefings can either be in a group or held individually.

Format

The Voucher holders packet shall contain the following:

- A general information brochure explaining the basics of the rental program for landlord use;
- A current list of interested landlords and the address of their available property;
- A description of Fair Market Rents and Housing Assistance Payments;
- Procedures for notifying HCD/Subcontractor of program abuses such as side payments or other overcharges and Housing Quality violations in the unit;
- The HUD brochure A Good Place to Live;
- Conditions and procedures for notifying Subcontractor of changes which occur between interims;
- Tenant Responsibility form;
- Utility schedule;
- Instructions on calculating gross rent; and
- Any supplemental material the Subcontractor deems necessary.

The Subcontractor will discuss the allowable deposits which can be collected by the owner; the conditions in the lease under which tenancy may be terminated, and the conditions under which assistance may be terminated.

While the relationship between the tenant and landlord are the same as in the private housing market, the Section 8 recipients have the following additional obligations:

Household Obligations

- Turn in proper forms to the Subcontractor within the Voucher period so that the unit may be approved;
 - Keep appointments set by the Subcontractor for determination of continued eligibility;
 - Notify the Subcontractor within 10 working days of changes in household composition and all changes in income;
 - Notify the Subcontractor in writing 30 days prior to moving from the unit;
 - Other obligations of the family as specified under the Tenant Application and Responsibility form; and
 - Complete required forms annually or when requested.
-

The newly issued Voucher is valid for a period of 60 days from the date of issuance. A family may request an extension of the 60-day time period. A maximum of 60 additional days (approved in 15-day increments) may be approved if:

Expirations

- Extenuating circumstances (e.g., hospitalization or family emergency) which has affected the family's ability to find a unit within the 60 days; or
 - The family has evidence that they have made consistent effort to locate a unit and requested assistance from the Subcontractor to help locate a unit.
-

Children who are subject to a joint custody agreement but live with one parent at least 51 % of the time will be considered members of the household. "Fiftyone percent of the time" is defined as 183 days of the year, which do not have to run consecutively.

Joint Custody of Children

Regular alimony and child support payments are counted as income. If the amount of child support or alimony received is less than the amount awarded by the court, the Subcontractor will use the amount awarded by the court unless the family can verify that they are not receiving the full amount and have made an effort to collect payments. Efforts to collect payments include filing with courts or appropriate agencies responsible for enforcing such payments.

Alimony and Child Support

Families will be notified in writing 120 days in advance of the scheduled effective date of the reexamination. The Subcontractor will use the same procedures for obtaining and verifying information that were used at admission. The Subcontractor should compare the information the family reports against the family's most recent reexamination to identify any discrepancies and ask the family to explain them.

**Annual
Reexaminations**

The following procedures will be followed for each reexamination:

- Reverification of family income and composition
- Unit inspection;
- Rent reasonableness verified, if the landlord is requesting a rent increase;
- The family and owner are notified of changes in subsidy and tenant rent.

Head of household, and any additional adult living in the unit must have a current Form HUD 9886, *Authorization for Release of Information/Privacy Act Notice*, on file any time verification of income is to be determined.

Families and owners must be notified in writing of the results of the reexamination and effective date of any changes.

Families who fail to cooperate with the Subcontractor in providing the necessary information can be terminated from the Program.

The Subcontractor shall conduct an interim reexamination of family income/composition, whenever a change is reported.

**Interim
Examinations**

The family may request an interim reexamination of family income/composition when changes have occurred since the last determination. The Subcontractor will conduct a family requested reexamination within 10 working days of the request.

If the interim reexamination indicates that the tenant rent will be reduced or increased by \$10.00 or more, changes will take effect the first of the month following the determination allowing for a minimum of 30 days notification to the tenant and landlord. If the increase/decrease is less than \$10.00, no change will be processed.

A landlord/owner, tenant or the Subcontractor may request to have the tenant's unit inspected prior to the reexamination date. The Subcontractor will schedule the inspection within five working days of the request.

**Request for
Special Unit
Inspection**

The Subcontractor **will not** reduce the family share of rent for families whose welfare assistance is reduced due to:

**Welfare
Income
Changes**

- Fraud;
- Failure to participate in an economic self-sufficiency program;
- Noncompliance with a work activity requirement.

The prohibition of rent reduction is not applicable if the welfare assistance is reduced due to the expiration of a lifetime limit on receiving benefits, or the family complied with welfare program requirements but is unable to obtain employment.

The Subcontractor will obtain written verification from the welfare agency which indicates that the reduction was due to noncompliance or fraud **before** denying the request for rent reduction.

The Subcontractor will notify the owner and family of the results of the reexamination of income, offering the family an opportunity for an informal hearing regarding the denial of the reduction of rent.

PORTABILITY

HCD/Subcontractor will allow voucher families to move to another locality and continue their rental assistance under the Housing Choice Voucher Program after the family has leased a unit for a minimum of one year in the county where the family established eligibility. This minimum year rule also applies to new applicants wanting to transfers between counties within our jurisdiction.

Outgoing Vouchers

Exceptions to the one year requirement may be requested, in writing, by the family for extenuating circumstances (e.g., healthcare, employment). HCD must approve the exception prior to the participant move.

The Subcontractor will accept families with a valid Housing Choice Voucher from another PHA's jurisdiction. Each Subcontractor may choose to:

Incoming Vouchers

- “Absorb” the incoming family by issuing a voucher, if funding is available;
 - Administer the Voucher from the initial PHA; or
 - If a Voucher becomes available at a later date, the Subcontractor may, at that time, “absorb” the portable Voucher.
-

HOUSING QUALITY STANDARDS

No unit will be placed on the Section 8 Program unless Housing Quality Standards are met. The units must continue to meet these standards as long as the family is on the program. HCD/Subcontractor adheres to the acceptability criteria in program regulations.

Policy

There are four types of inspections:

- Initial
- Annual
- Special
- Move-out: Move-out inspections will be completed within 15 working days and are required for units leased prior to October, 1995 and when requested by either the tenant or landlord for units leased after October, 1995.

At initial and annual inspections, the owner will be given not more than 30 days to correct the items noted as “fail” (extenuating circumstances could extend the time limit). The owner will be allowed two reinspections for repair work to be completed (at inspectors discretion) depending upon the complexity of work to be done. If, after the two reinspections, the unit still fails HQS, the family will be advised to seek another unit.

Clearing Deficiencies

LEASE APPROVAL HAP/VOUCHER CONTRACT EXECUTION

Owners must provide their current address of residence or business. Owners must submit proof of ownership of the property and a Letter of Transfer of Authority if the property is managed by a management agent.

Ownership Documentation

Unless the lease was effective prior to June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. HCD may waive this restriction as a reasonable accommodation for a family member who is a person with a disability if the disability and reasonable accommodation can be verified. A "Request for Reasonable Accommodation" form is completed by the family and a "Verification of Need for Reasonable Accommodation" is completed by an individual providing professional services that relate to the disability.

Leasing to Relatives

HCD uses the HUD published Fair Market Rents as the applicable Payment Standard.

Payment Standard

The Subcontractor will make a determination as to the reasonableness of the rent the owner is proposing in relation to comparable units on the private unassisted market. The market area for rent reasonableness comparables shall include the areas the Subcontractor provides Section 8 Program services.

Rent Reasonableness

Rent reasonableness determinations are made when units are placed under HAP contract for the first time *and* when owners request annual or special contract rent adjustments. The Subcontractor will certify and document in the tenant file that the approved rent:

- does not exceed rents charged by the owner for comparable unassisted units in the private market; and
- is reasonable in relation to rents charged by other owners for comparable units in the private market.

The items used for rent reasonable documentation include:

- square footage;
- number of bedrooms;
- number of bathrooms;
- location;
- unit type;
- quality;
- amenities;
- facilities;
- date built; and
- management and maintenance services.

Documentation of the rent reasonableness study for each unit leased will be maintained by the Subcontractor for access by HCD/HUD.

**Rent
Reasonableness
(contí)**

The Subcontractor will maintain a file(s) which includes comparable data on unassisted units in the private market. The Subcontractor will compare the subject unit against selected units in the same area with similar characteristics. Adjustments will be made for favorable and unfavorable differences between the subject unit and the comparables.. **The information on unassisted units will be updated on an annual basis**

After the Subcontractor has reviewed the Request for Lease Approval and Lease, documented rent reasonableness, and conducted an inspection and passed the unit, the Subcontractor approves the lease.

**Lease
Approval/
Disapproval**

If the Subcontractor determines that the lease cannot be approved (i.e., fails the 40% rule, fails rent reasonableness), the landlord and family will be notified and the reason(s) provided. Subcontractor will explain the problems to the owner and suggest how they may be corrected. If the problem can be corrected, the Subcontractor will continue processing the Request for Lease Approval and Lease.

If the problem cannot be corrected after the Subcontractor has negotiated with the owner, the Subcontractor will inform the tenant that the lease is disapproved. The tenant should continue to locate eligible housing.

Prior to HAP contract execution, the Subcontractor will reconfirm the family's composition and critical information on income and allowances.

**HAP Contract
Execution**

If significant changes have occurred, the information will be verified and the Total Tenant Payment (TTP) will be recalculated. Reverification is not necessary if the information is not more than 120 days old, or not more than 60 days old for income verifications for new admissions.

If there have been no additional changes in the tenant's income or family composition the lease is approved, and the Subcontractor will prepare a HAP Contract and Lease Addendum.

INFORMAL REVIEW/HEARING

An applicant must provide a written request to the Subcontractor for an informal review. The written request must be delivered in person or postmarked within 10 working days from the date assistance was denied, and must state the reason(s) the applicant believes there should be a reconsideration (informal review) of the decision to deny assistance.

Informal Review For Applicants

The Subcontractor shall schedule a date for an informal review and notify the applicant within 10 working days from the date the request was received. The informal review shall be conducted by a Subcontractor staff person other than the person who made or approved the decision under review or a subordinate of this person, and in the area where the family applied for assistance. A final decision shall be rendered within 15 working days after the informal review.

The review shall be tape-recorded. The recording shall only be transcribed, at the sole discretion of Subcontractor, when the Subcontractor considers it necessary. Tape recordings shall be maintained for one year from the date of the review. The Subcontractor shall identify the date, time, and principal attendees for the record. The Subcontractor may determine relevance of information or testimony, may limit the length of presentations, and may reject threatening or abusive persons from the review. The Subcontractor may request additional evidence, proof, or documentation from the family at the time of the review. The Subcontractor shall specify a reasonable timeframe for the family to respond, after which no additional information shall be considered.

HCD shall designate the branch chief that oversees the duties of the HAP Program Manager, or the branch chief's designee, as the Hearing Officer. The decision by the Hearing Officer shall be final and no further informal appeal shall be available from HCD.

Informal Hearing for Participants

A participant must provide a written request to HCD for an informal hearing by HCD. The written request must be delivered in person or postmarked within 10 working days from the date the tenant was notified of the disputed action, and must state the reason(s) the participant believes there should be a reconsideration (informal hearing) of the proposed or stated action by the Subcontractor.

HCD shall schedule a date for an informal hearing and notify the participant and the Subcontractor within 10 working days from the date the request was received. HCD's designated Hearing Officer, in the area where the family participated in the Program, shall conduct the informal review. A final decision shall be rendered within fifteen (15) working days after the informal hearing.

Right to discovery. The family's right to discovery is stated in the Federal regulations (Section 982.555). HCD also elects to establish its right to discovery. Prior to the informal hearing date, the family must provide to HCD or Subcontractor, any new family documents that are directly relevant to the hearing and that the family intends to introduce at the informal hearing. HCD or Subcontractor shall be given an opportunity to examine and to copy any such document(s) at HCD or Subcontractor's expense. The document examination shall be allowed at the Subcontractor's office prior to the informal hearing. If the family does not make the document available for examination, the Hearing Officer may determine that consideration shall not be given to the document for the purposes of the informal hearing.

**Informal
Hearing for
Participants
(cont.)**

The Hearing Officer shall conduct the hearing. The hearing shall be tape recorded. The recording shall only be transcribed, at the sole discretion of HCD, when HCD considers it necessary. Tape recordings shall be maintained for one year from the date of the hearing. The Hearing Officer shall identify the date, time, and principal attendees for the record. The Hearing Officer may determine relevance of information or testimony, may limit the length of presentations, and may reject threatening or abusive persons from the hearing. The Hearing Officer may request additional evidence, proof, or documentation from the family at the time of the hearing. The Hearing Officer shall specify a reasonable timeframe for the family to respond, after which no additional information shall be considered.

STATEMENT ON PROGRESS IN MEETING MISSION AND GOALS OF THE FIVE-YEAR PLAN

The State of California's Department of Housing and Community Development (HCD) acts as the Public Housing Authority for rural counties within the State where housing authorities have not been established. The mission of the PHA continues to be to provide rental subsidies to extremely low and very low-income families to allow them to afford safe, decent and sanitary housing by:

Goal 1: Expanding the supply of assisted housing by applying for additional rental vouchers.

Progress: HCD did not apply for additional vouchers during this first year of the 5Year period.

Goal 2: Improving the quality of assisted housing by improving voucher management (SEMAP Score) and improving customer satisfaction.

Progress: As part of the Department's strategic plan yearly process, tenants and landlords or provided with a Housing Assistance Program customer service survey. The survey requests the quality of service provided in various areas (e.g., responsiveness of staff to inquiries, courtesy of staff, knowledge of staff, reasonableness of program rules, etc.). April, 2000's results indicated an 85% overall satisfaction of HCD's Housing Assistance Program.

SEMAP indicators are at the acceptable level; HCD will continue to work to improve the SEMAP indicators to above average.

Goal 3: Increasing assisted housing choices by conducting outreach efforts to potential voucher landlords.

Progress: HCD and HCD's subcontractors continually seek new landlords for the Section 8 Program. Outreach seminars are conducted to explain the Section 8 Program to potential landlords.

Goal 4: Promoting self-sufficiency and asset development of assisted households by increasing the success rate of FSS participants.

Progress: HCD's success rate continues to improve for participants in the FSS program. In addition various programs (e.g., budgeting/parenting life skills, mentoring, literacy programs, child care referrals) that are available to FSS participants are also available to countywide residents, including Section 8 families.

Goal 5: Ensuring equal opportunity and furthering fair housing objectives by undertaking affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability.

Progress: Community newspapers, local bulletin boards, local radio stations and any minority organization are utilized to ensure all eligible individuals are aware of opportunities in the Section 8 Program. Tenant outreach sessions are conducted throughout the county(ies). Procedures are in place to address discrimination complaints for any housing issue.
